# **U.S. SABOT**

The U.S. Sabot is popular with junior sailing programs for simplicity and safety. Equipped with the racing package, the U.S. Sabot offers all the controls of a larger boat, so learning sailors can develop a full range of sail trimming skills.

## **SOUTHERN CALIFORNIA YOUTH YACHT RACING ASSOCIATION**

An organization formed in October 1977, under Southern California Yachting Association (SCYA), for the purpose of dedicating itself to the improvement of sailing skills among youth racing sailors in Southern California.

### **Association goals are accomplished by:**

- Publishing a master calendar of youth sailing events.
- Setting up sailing instructor seminars.
- Coordinating and sponsoring One Design seminars.
- Stressing the importance of participation in US Sailing Junior Championships and communicating the methods to accomplish this.
- Sponsoring six regatta series of four or more races each throughout the year: the North Perpetual Trophy for Naples Sabots; the Ullman Perpetual Trophy for Lasers; the Frost Perpetual Trophy for Laser Radials; the Perry Perpetual Trophy for 420's; the Dick Sweet Team Race for Naples Sabots and the Shadden series for CFJ's.
- Awarding the Stewart Carpenter Memorial Trophy for the top boy-girl CFJ finisher at the Southern California Junior Olympic Regatta.
- Disseminating information regarding youth activities through SCYYRA representatives at Member Yacht Clubs.
- Acting as an "ombudsman" for junior skippers and their One Design racing associations.
- Coordination of youth activities through SCYA, US Sailing and CISA.
- Acting as a contact with US Sailing Youth Committees.
- Creating a long range planning committee to revise and further the association goals.

The Southern California Youth Yacht Racing Association instituted a program for those advanced junior sailors who have shown a tremendous dedication to youth sailing over the past year.

Clinics are offered for the most outstanding sailors from San Diego to Santa Barbara Counties. Up to seventeen junior sailors are selected and invited to be on the SCYYRA Sailing Team and attend the clinics.

### Selection Criteria

1. Sailors must be members of Yacht Clubs or associations that are current members of SCYYRA.
2. The SCYYRA Team is not limited in number. A group of 12-16 sailors are recommended.
3. The recommended age of the participants should be the same as the US Sailing requirements for US Sailing National Championship Junior sailing events and must not be a High School graduate.
4. Participants should be selected geographically from Santa Barbara County to San Diego County.
5. Sailors invited to be a member of the SCYYRA Sailing Team must attend the clinic to be considered a member of the Team.
6. Sailors should submit a sailing resume to the chairman of the SCYYRA Sailing Team well in advance of the selection and the clinic date.
7. Selection of the team will be based on age, resume, geographic location, ability and attitude.
8. Members of the SCYYRA Board of Directors should solicit names of potential participants from their area of representation and recommend consideration as a member of the SCYYRA Sailing Team.
9. Sailors who were selected in a prior year are not automatically lifetime members. New members for the calendar year are selected by the SCYYRA Sailing Team Selection Committee. Past members are eligible for reselection.

# 2003 JUNIOR CHALLENGE EVENTS

## US SAILING YOUTH NATIONAL CHAMPIONSHIPS

This is the first national junior event of the sailing season each year and is also the most prestigious. It is open to all juniors age 19 and under. Applicants may not turn 20 years old in the calendar year. Approximately 60 singlehanded and 30 doublehanded teams and 30 board sailors are selected by virtue of their sailing resume by US Sailing's Youth Championship Committee. The boat used in these events is decided upon years in advance. The idea is that youths can train and campaign for this event. Applications are available in early January and are due back to US Sailing by April 1st. Acceptances are sent out by early May and the Championships are usually held at the end of June.

## US SAILING SEARS, BEMIS AND SMYTHE CUPS

The Sears Cup (3 or 4 people), Bemis Cup (2 person dinghy), and Smythe Trophy (single handed) are US Sailing sponsored ladder events open to juniors at least 13 years old but who have not reached their 19th birthday during the calendar year. Any junior can and should participate in the area eliminations. Eliminations for the Bemis and the Smythe are typically sailed in conjunction with the regional Jr. Olympic Festival and the Sears Area eliminations are typically sailed in a separate event in early July. Just register and show up! The top junior in the Sears and top two juniors in the Bemis and Smythe area eliminations advance to the nationwide final events sailed during the third week of August. There are 10 to 20 competitors in each division at the finals. Boats are provided for the finals.

## IDA LEWIS

This is the National Jr. Doublehanded Championship open to girls age 13-18 for the whole calendar year of the event. There is no qualification for this event. However, participants should have prior experience in 420's. A clinic run the day prior to racing is highly recommended. Boats are not provided.

## US SAILING LEITER TROPHY

This is the National Junior Women's Singlehanded Championship. It is open to girls age 13 to 18 for the whole calendar year of the event. There is no qualification for this event. However, participants should have prior experience racing Lasers. If a clinic is available participation is recommended. Laser Radials are often used for this event. Boats are not provided and must be taken or chartered.
